Postal Code Search

HOME > Service > Postal Code Search

Purpose of Reform
The State Basic District Number given to each State Basic District is to be used as the new postal code

How It is Reformed
The 5-digit district number assigned based on the geographic features (roads, rivers, railroads, etc.) and assigned to each State Basic District will replace the existing 6-digit postal code created based on the administrative units (Eup, Myeon and Dong) and the districts assigned to each postman.

① Select Special (Metropolitan) City and Si/Gun/Gu.

Road name address Land-Lot number address

Seoul Seongdong-gu
